Rob,
Best of luck
in the future
years, don't get in
any kind of trouble.
I'll learn how to play
football better someday.
I can't think of anything
else to write so I'll close
Love always
Name

Rob,
Good luck
in everything
ya do. I'll be
seeing ya around
all year! (ugh!!
Dont smile too
much it makes
people wonder what
ya been up to!!
See ya
'round
Love,
Lori

Homecoming Is Happiness

After weeks of anticipation, excitement, and careful planning Homecoming finally arrived. The two days of festivities began as the Mighty Maroons gained another victory by defeating Page County. During half-time, the Homecoming King and Queen were announced and presented to the fans along with their court. At this time, the past queens were also introduced. The following night, the Homecoming Dance was held in the gymnasium. Queen Cindy Workman and King Alan Shomo led the Royal Homecoming Dance.

Stage Is Set For West Side Story

Puerto Rican accents, difficult choreography, challenging sets and lighting were just a few of the obstacles the cast and crew of WEST SIDE STORY overcame. They sang, rumbled, and left the audience numb for three glorious nights. Directors Diahn Simonini and David MacMillian showed their expertise in this, their first show at Montevideo.

Open House Is Enjoyed By All

A welcome given by Hal Morris started the fourth annual Open House Program. Those who attended enjoyed a program by the MHS Jazz Band, classroom displays, and the Math-Science Fair. As a special treat, the Montevideo Young Homemakers sold home-made ice cream.

Contestants await their entry.

The annual Miss M.H.S. Pageant was held in the auditorium with Mr. Ed Long as Master of Ceremonies. The thirty-nine contestants were judged on poise, gown selection, natural beauty and ability to answer on-the-spot questions. Miss Congeniality and second runner-up was Mary Atkins. Cindy Workman was first runner-up, and Miss M.H.S. for 1977 was Tanya Harrison.

Cast Goes On Tour

Montevideo's Peak Players ended their season by premiering the exciting play, "Spring for Sure" whose musical lyrics were written by director Diahn Simonini. The action-packed musical comedy toured various institutions whose residents are often forgotten. The play centered around an isolated community in the Smokey Mountains of Tennessee, three sophisticated New Yorkers whose plane crashed there and the hilarious situations that arose. All this made the fast-moving show a crowning touch to their season.

Memories Are Made At The Prom

"We may never pass this way again," was the theme of the 1977 prom held at the Elkton V.F.W. Hall. The room was decorated with stars, a water fountain, and wishing wells at each table. The highlight of the evening was the announcement of Karen Kribel and Jerry Skievaski as Princess and Prince and Linda Kelly and Butch Williams as Queen and King. Couples danced to the music of "Magic Touch."

Seniors Take A Step Forward

The Montevideo athletic field set the stage for the commencement exercises of one hundred and sixty Montevideo graduates.

Music was provided by a former student of Montevideo, Sharon S. Morris. The Concert Choir and Marching Band also added their talents to the ceremony.

Graduates were urged to be a good influence in their future years by the speaker G. Ernest Deyerle II. Mr. Deyerle is a former assistant principal.

Honors and scholarships were bestowed upon many graduates. These included Pam Southerly, awarded the Cundiff Memorial Award, Cheryl Hogue and David Gass, presented the Frank Cross Memorial History Award, Cristy Long and Mark Byerly, given the "I Dare You" award, and Tanya Harrison, and Lyle Coulter honored by the Gale Cline Memorial Music Award.

Emotions of both joy and sadness were shown as the graduation class of 1977 marched from the football field.

The Choral Department, under the direction of Mr. MacMillan, was responsible for the music in WEST SIDE STORY. Concerts were given during the year by the Ensemble, Concert Choir, Mixed Chorus and Girl's Chorus. The Concert Choir performed for civic organizations, church functions and school activities. The Ensemble also performed for different activities and was awarded an excellent rating at the choral festival this year.

Does The Band Play On?

The band had a busy year, not only were they seen in parades and concerts but they also worked in conjunction with the Athletic Department to provide half-time shows and the National Anthem at ballgames.

The Stage Band attempted to stimulate interest in the music program at M.H.S. This was done by giving an assembly at each area elementary school. The Stage Band was also seen playing for civic organizations and school functions.

Have You Ever Judged A Cow?

The FFA stayed busy this year by having a Hay and Grain Show, Parent-Member Banquet and a faculty tea. Their main money making project was a fruit sale which was a big success. The club participated in local, state and national contest and received a gold metal in Chapter Contest and a bronze in Chapter Safety. Awards were given to the members at chapter and state, and national levels and they stayed busy with Community Service Projects. The Club also made and distributed bird seed.

Have You Ever Looked Into A Peep Box

The FHA had one in the cafeteria during FHA Week which attracted quite a few curious people. They had money making projects such as a donkey basketball game and concessions at basketball games. This year's theme was "Family Affair" and a Halloween party. Christmas Tea, family picnic, and the Parent-Daughter Banquet supported this. The club also had a Dance-a-thon to raise money for retarded citizens and spent a very enjoyable day at Mt. Vernon and the Washington Zoo.

School publications included a newspaper, "The Peakazette;" a literary magazine, "Object d'Art;" and a yearbook, "The Peak." Finances were obtained by these groups from various activities such as "A Womanless Beauty Contest," a teacher bake sale, and a movie, "The Kiss of the Vampire." Representatives from two staffs attended workshops in their respective areas. Cristy Long and Jan Suter attended a yearbook workshop while Teresa Young and Stephanie Wright attended the VSHL newspaper clinic.

Would You Buy A Tabogan?

This year the Letterman's Club got together for a successful money making project to pay for an exciting trip. Many tabogons were sold on the cold nights during the football games. Finally the trip they took was attending a professional basketball game between the New York Nicks and the Washington Bullets at Landover, Maryland.

Would You Like To Buy A Magazine?

SCA members asked this question door to door and successfully completed another magazine campaign exceeding their goal of $3500. At Christmas, food was collected and stockings were filled and presented to the Salvation Army. A concert, featuring "Tundra" was provided for the campaign assembly. Student contributions collected by first period representatives make it possible to send birthday and Christmas gifts to Shu-Ling, the club's foster child.

Have You Ever Worn Crazy Socks?

The Pep Club really got moving this year. They pitched in and helped the cheerleaders make banners and other than giving teas for the teams, they sponsored "Spirit Days." There was "Top'em Day" when everyone was to wear hats, "Sock it to 'em Day" when crazy socks were worn, and Stomp 'em Day" when wearing tennis sheos was showing school spirit. On "Lick 'em Day suckers were sold and on "Chew 'em up Day" it was bubblegum.

What Does History Mean Today?

This year the Historical Society members presented a float, which they designed and built, in the Christmas Parade. Their money raising project was a raffle of a bike radio, and alarm clock, some tennis balls, and some golf balls.

One of the club's final programs gave an insight into traveling abroad. The speaker was Mrs. Lori Lineweaver, a representative to the Youth for Understanding and a former faculty member.

Is Latin A Dead Language?

The Latin Club members proved that they weren't dead with a successful money making project, selling M & M's and candy bars. Some of the money sent several members to the State Junior Classical League Convention. This year they were able to hold one of their meetings on the Ides of March and enjoyed a skit portraying the death of Caesar. The Roman banquet proved to be a success and everyone left well satisfied. The biggest event of the year, the Roman Circus, kept members involved in skits and running events. The highlight of the circus was when Cristy Long and Greg Chandler were crowned Miss Roma and escort.

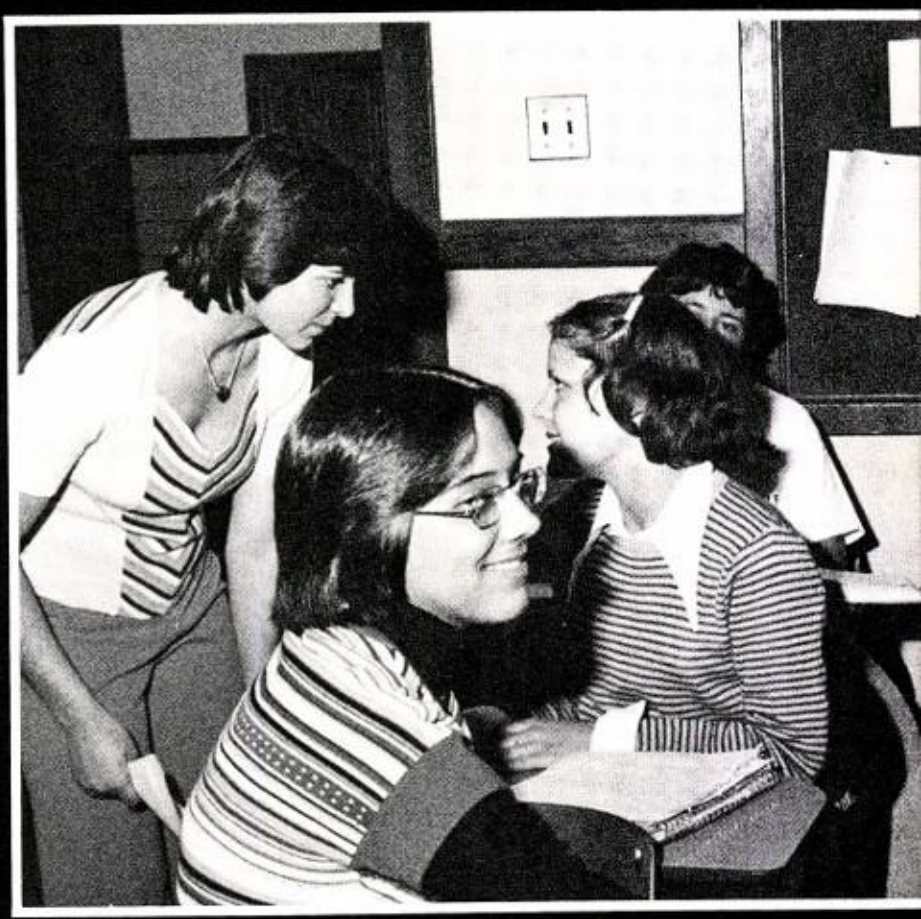
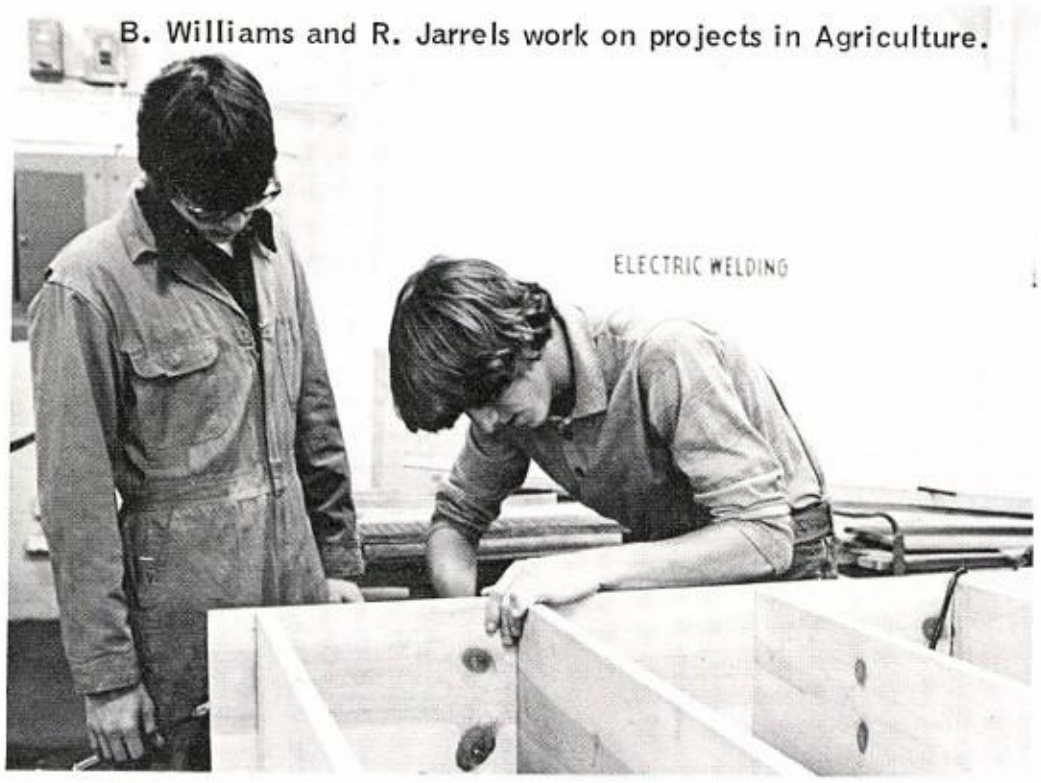
ACADEMICS

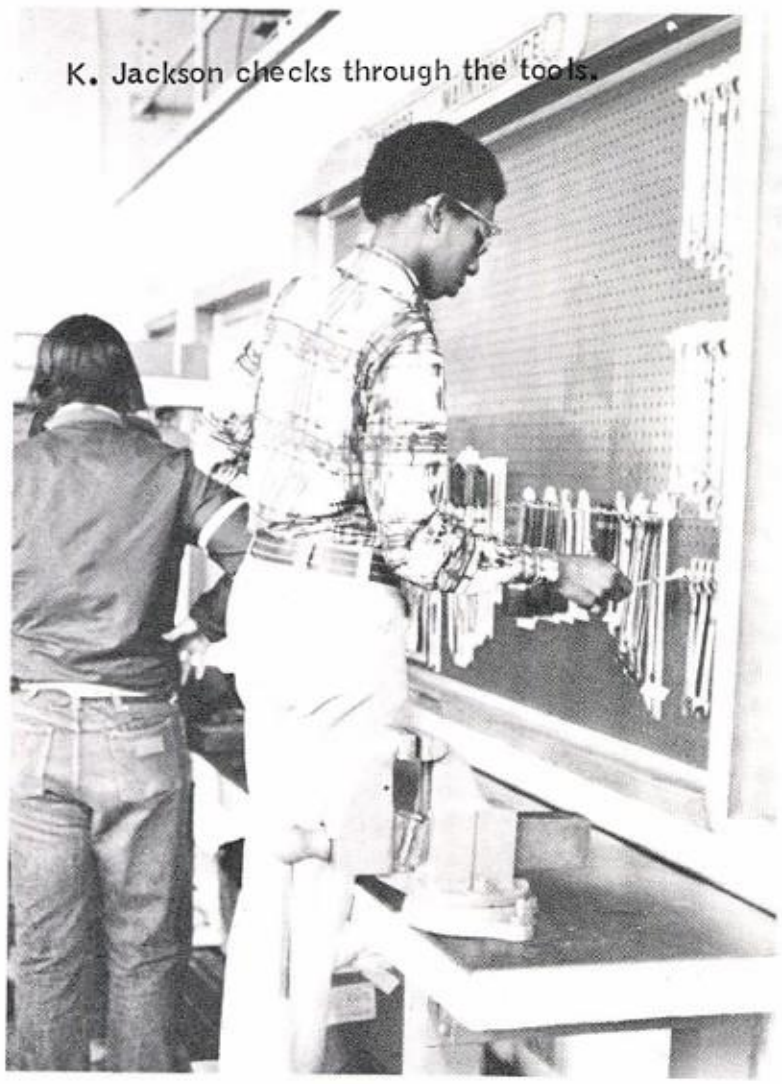


Ag Stresses New Ideas

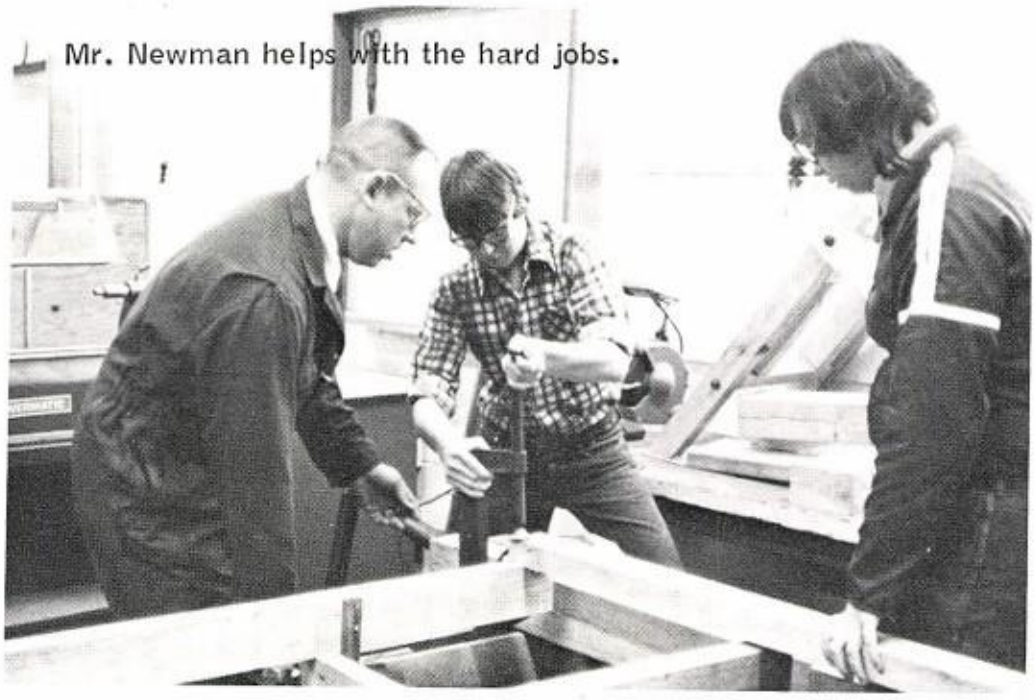
Agriculture, which coincides with the FFA, was a course that enabled students to become more aware of the fields of agriculture. During the year students were taught the basic principles of farm management and record keeping, along with the judging of forestry, livestock, dairy and crops.



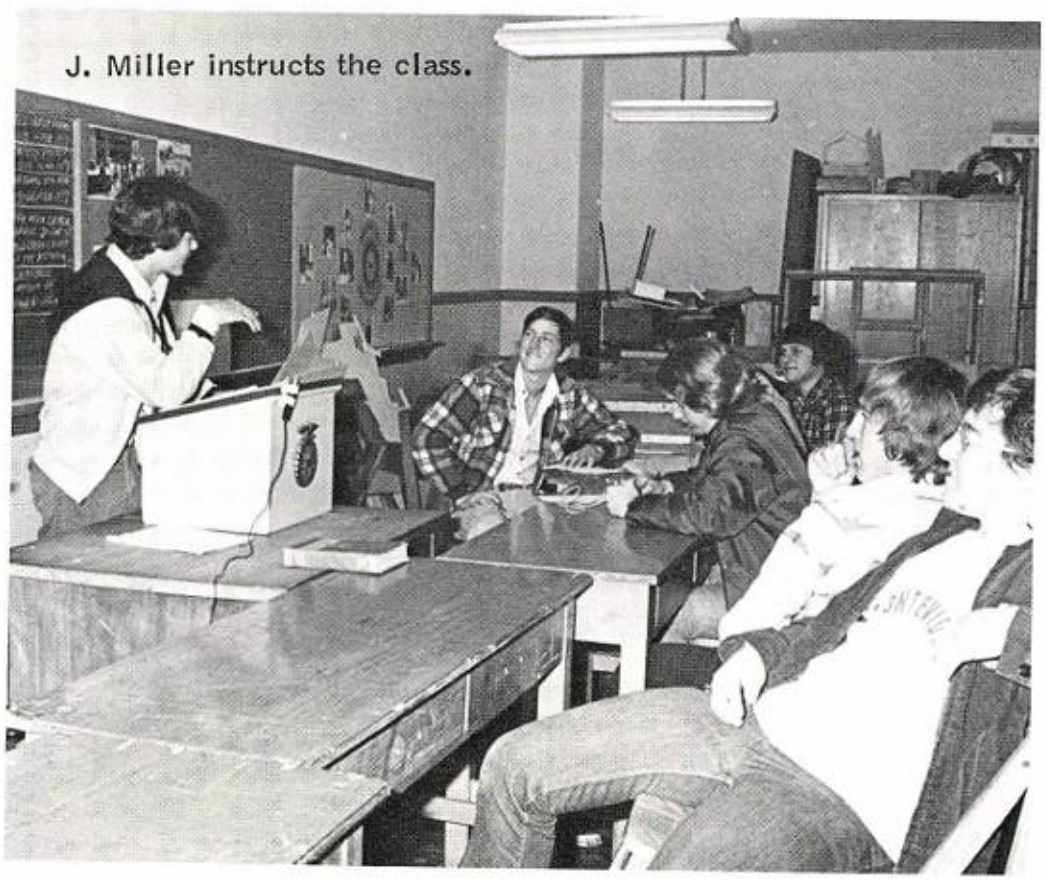
B. Williams and R. Jarrels work on projects in Agriculture.



K. Jackson checks through the tools.



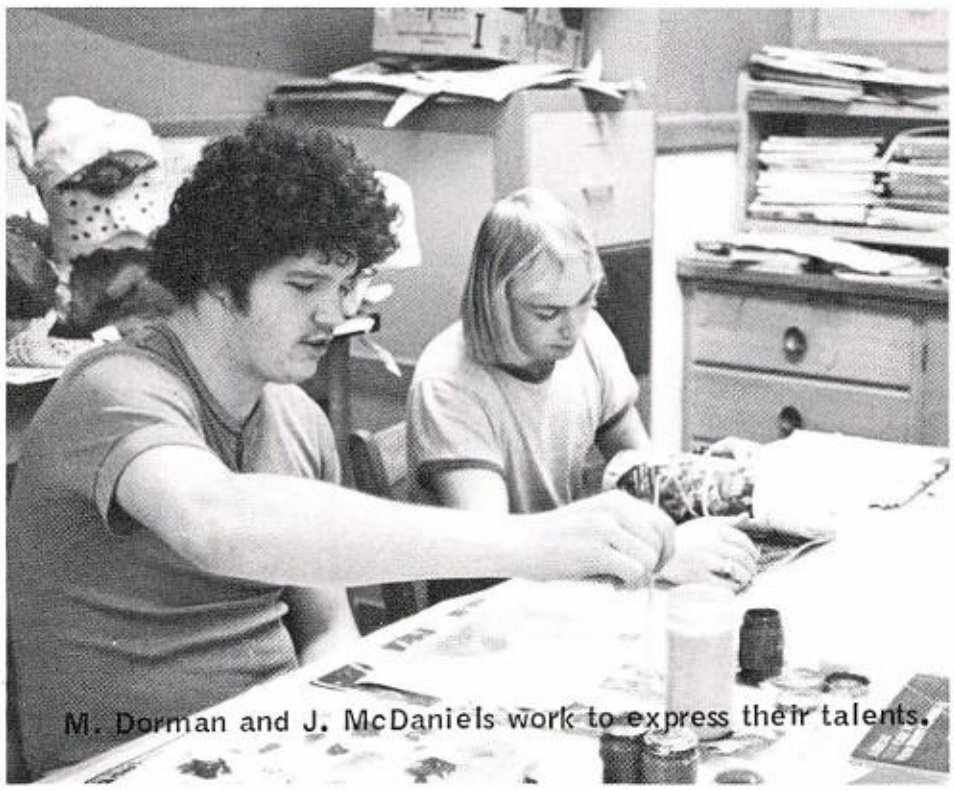
Mr. Newman helps with the hard jobs.



J. Miller instructs the class.

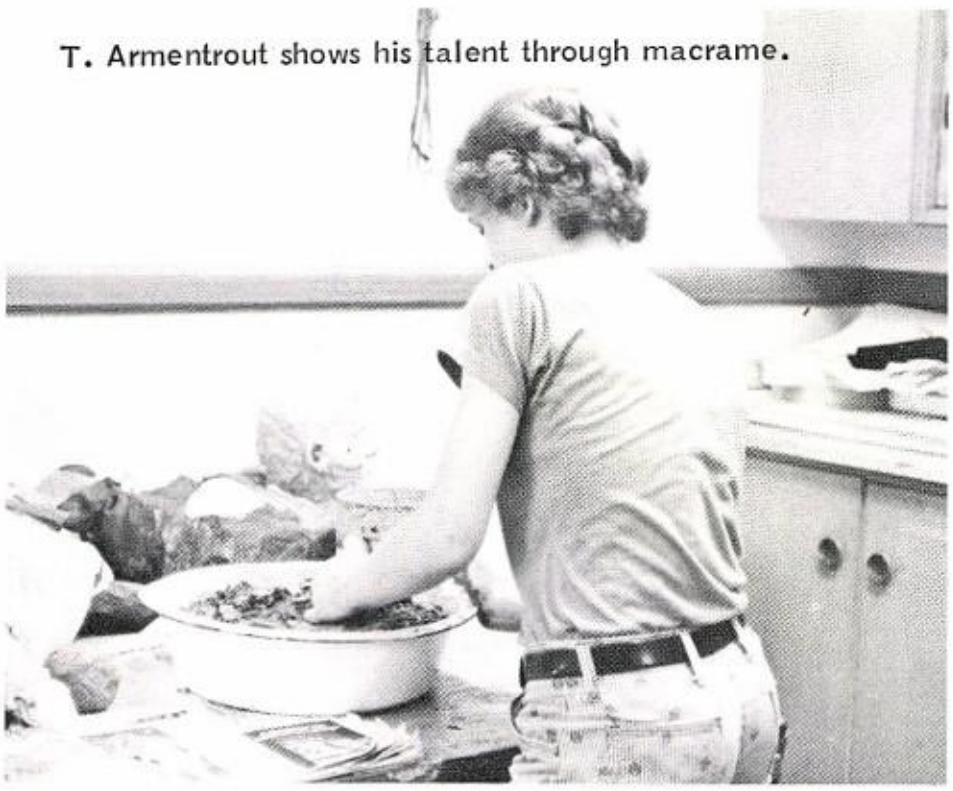
Art Develops Hobbies

The Art classes kept busy doing what art classes are expected to do, painting, drawing, and paper mache. In addition, unexpected activities were attempted such as sculptured heads, macrame, weaving, hooking rugs and block printing. The mural in the front entrance hall was a major project. The Advanced Art class enjoyed a trip to an art museum in Washington D.C.

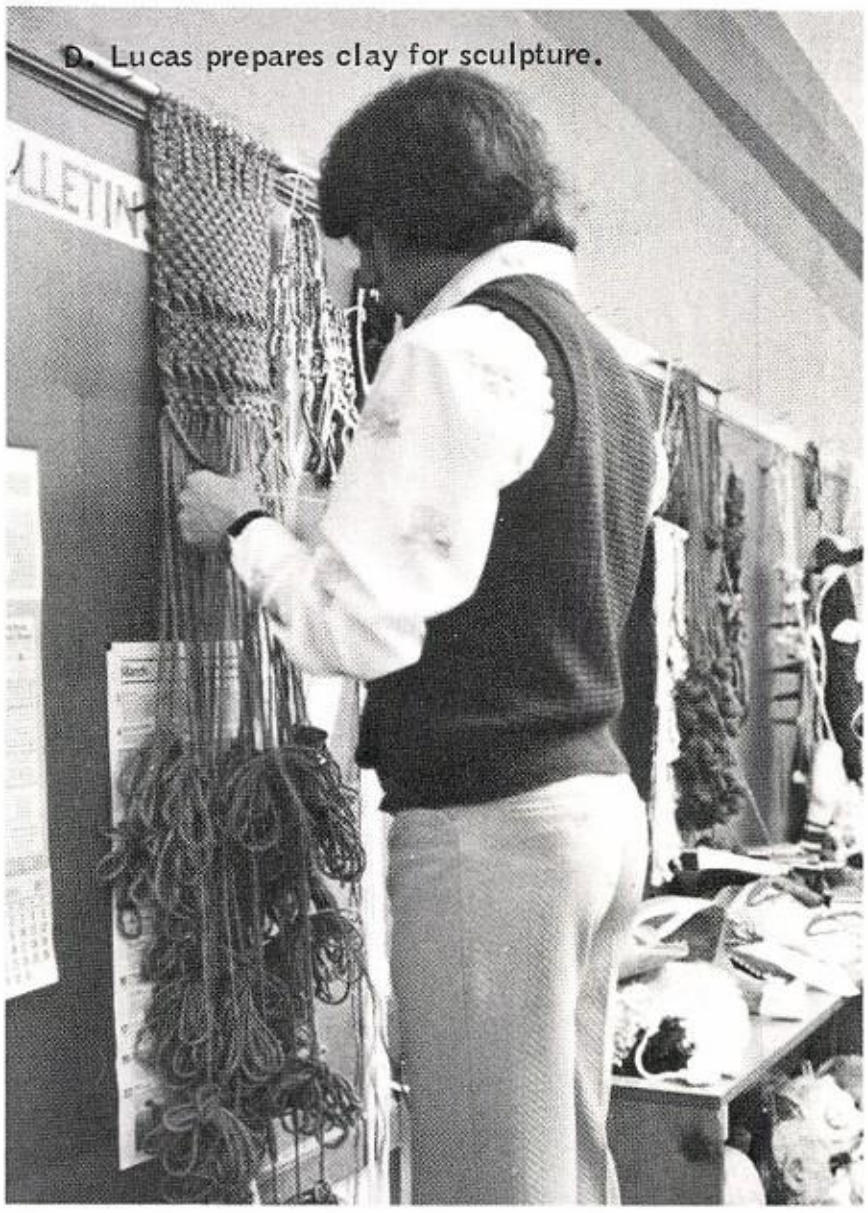


M. Dorman and J. McDaniels work to express their talents.

T. Armentrout shows his talent through macrame.



D. Lucas prepares clay for sculpture.



Weaving seems to be easy for R. Riggleman.

English Adds Block Class

This year the English classes took on a new look by successfully combining American Literature and U.S. History into one block course. This class was aimed primarily for the Juniors.

Advanced composition was added to the schedule. The main purpose of this class was to better prepare students for college through the teaching of grammar and different styles of writing.

Group participation makes English more fun.

Science Opens Nature's Doors

The Science department expanded its offerings to include classes in Physics and Advanced Biology. Students explored the unknown through experiments and investigations ranging from qualitative analysis and acceleration to dissection of frogs and fetal pigs. Earth Science was highlighted by trips to the National Air and Space Museum in Washington D.C. and the Planetarium at Madison College. Semester projects were on display at the Spring Open House.

Students Look To The Future

The highlight of the Clerk I and II classes was the field trip to State Farm Insurance Company Acme Visable Records in Charlottesville. Here they saw types of filling equipment and learned office procedures. Two guest speakers spoke to the class. Mrs. Caricofe spoke about office procedures and Kathy Seal demonstrated the shorthand machine to the shorthand students.

A. Rankin works diligently on her shorthand.

T. Knight demonstrates the use of the calculator.

Typing appears to be no obstacle for L. Roche.

Typing students work hard to complete assignments.

Languages Open Minds

The foreign language department was very active. The Latin I students spent the year taking vocabulary tests, learning to conjugate verbs and making derivation charts for open house, along with learning the Roman language and customs. Latin II students became involved with translating stories and studying gods and goddesses. In the French department first year students learned to translate and speak the French language in addition to taking vocabulary tests. Second Year students expanded their vocabulary, worked with sentence structure, watched films and played French games. Many French students had the opportunity to visit the French Embassy in Washington D.C.

Class Puts Skills Into Practice

In the World of Construction, students learned the ABC's of house construction, planning, framing, and roofing. During this time, good working habits were emphasized. As projects for the year, class members built a model of their dream house. All skills and knowledge were used in the building of storage sheds.

Students work on dream houses.

P.E. Goes Co-Ed

The Physical Education department became involved in something new this year, co-educational classes. Most students adjusted quickly. As before, students in grades nine and ten were required to take part in the strenuous activities of general P.E. while juniors and seniors took advantage of advanced courses in P.E. which involved participation in football, gymnastics, and golf.

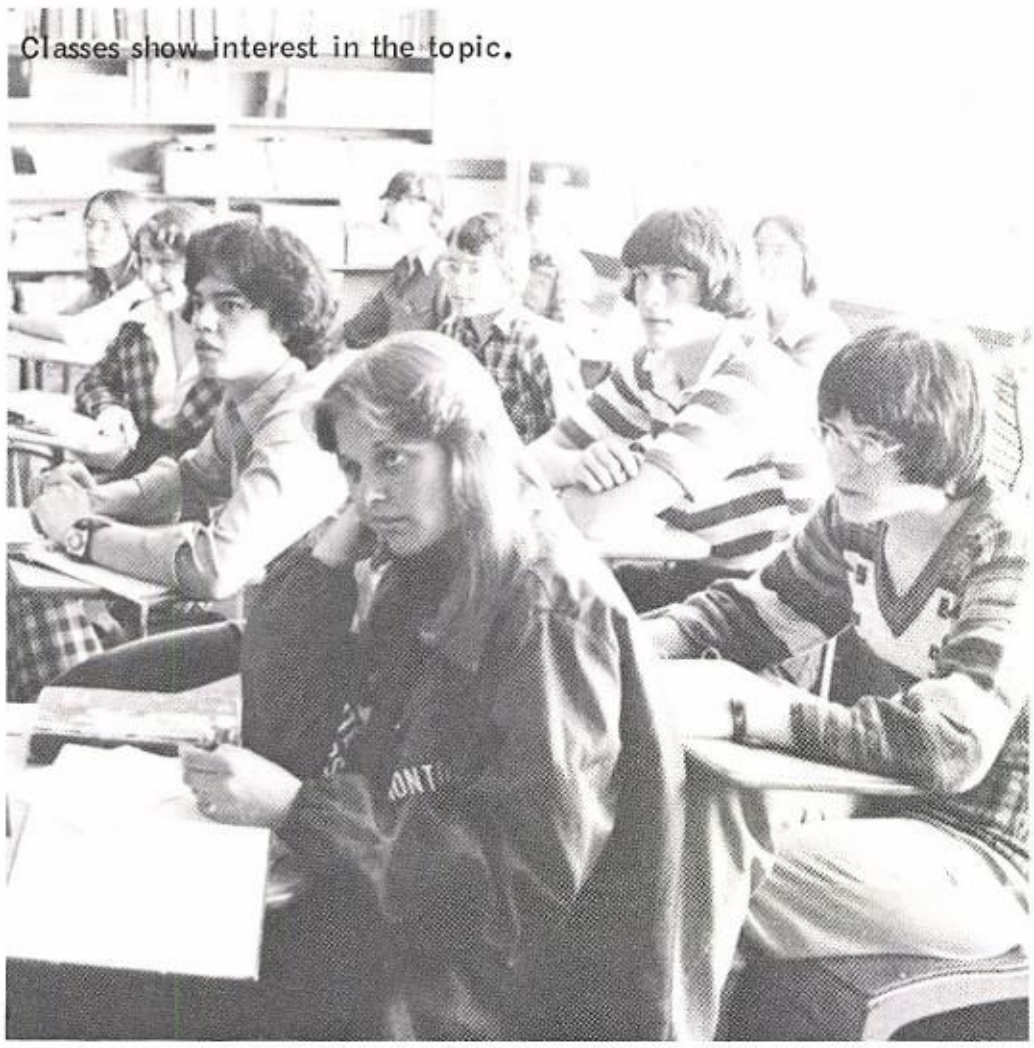
Guest Speakers Enrich Classes

Classes show interest in the topic.



For this Bicentennial year the history department sponsored many guest speakers. Just a few of these were Dr. Cobbs, who gave a presentation on the Soviet Union, Mr. Bob Ryder, on crimimal investigation, and Nathen Miller who discussed campaigning. A demonstration on weapons was given by the U.S. Army Representative. The "Freedom Train" was also visited on a field trip to New Market.

Mr. Newman assists troubled students.

M.H.S. Gets New Administrator

Many new faces have appeared at M.H.S. among them is a new administrator Mr. Edward Byrd. When asked how he felt about Montevideo he stated, "I have found the students, faculty and parents very capable and extremely pleasant to work with. The friendliness and enthusiasm at Montevideo is extraordinary." When asked to comment on their first year at M.H.S. Mrs. Lee, Mrs. Frazier, Mr. Daniels, Mrs. Thomas, Mrs. Rae and Mrs. Fleming all agreed that it was a good school, and that they liked the students. Miss Hitman, Mrs. Miller and Mrs. Pence agreed that it was a most enjoyable year. Miss Simonini summed it up by saying that the students were fabulous, and Mr. R. Newman described his first year in one word, "Super."

B. Hensley slips away from the defense.

The Montevideo Maroon football team finished the season in second place with a 7-3 record behind Madison Co. Local non-district rivals, Harrisonburg and T.A. captured wins by scoring in the last seconds of play.

Ricky Knight lead the team in defense. Seymour Solomon gained the most ground having fantastic performances against Central and Page. Coach Dofflemyer contributes most of the team's success to the Senior players' dedication. "I don't think I'll ever see a Senior class like that again," Coach Dofflemyer remarked.

Despite the Girl's Varsity Basketball record, the team showed much promise for the future. Julie Jones led the team in scoring while Penny Cupp took rebounding honors. With only four seniors leaving, the experience gained by underclassmen will be helpful. In her fourth year of coaching, Jean LaRue concentrated on spirit as well as skill.

The Girl's J.V. Basketball team had a season to be proud of with a 15-3 district record. In her first year of coaching, Jeanne Hitman accounted unity as the team's main reason for success, "They worked well together and were a very talented group," stated Coach Hitman. Offensively the team was led by Betsy Blose. Pam Foltz was the top rebounder. Although the J.V.'s lost to Strasburg in the semi-finals the second place district title was a reward in itself.

Maroon Quickness Excites Fans

The 1976-77 Varsity Basketball team finished the season with a 17-6 record placing second in the District. Winning most of their games by coming back in the fourth quarter they acquired the name "Hustlin Maroons."

Captains Tim Long, Seymour Solomon and Butch Williams along with Senior teammates Bobby Hensley, Kenny Williams and Neil Sacra provided outstanding team leadership.

Highlighting the season was the exciting win over Luray, when the Maroons scored eight points in the final 23 seconds of play and the defeat of local rivals, Harrisonburg in the Christmas Classic.

"We promised our fans 32 minutes of Action and we certainly gave it to them. The 1976-77 Maroons will go down as one of the finest effort-giving teams ever. They were Winners!" commented Coach Leatherman.

For the first time, M.H.S. had two Varsity squads. The fall squad cheered for Varsity Girl's Basketball and Varsity Football. The winter squad cheered for Varsity Boy's Basketball. For the second year, the J.V. Cheerleaders have been divided. The fall squad cheered for J.V. Football and the J.V. Girl's Basketball. The winter squad cheered for J.V. Boy's Basketball.

The fall Varsity Cheerleaders attended camp at the University of Pittsburg, PA, where they received one excellent and two superior ribbons. The winter Varsity Cheerleaders did not attend a camp, but participated in a workshop at Madison College, which geared them for the basketball season.

The 1977 Boy's Track team completed its season with a 15-0 record and captured first place in District, Region B, and State Competition. Aron McCarthy surprised everyone when he high jumped 6 feet 9 inches at the City County meet, but he kept his style and went on to place first at State with a record jump of 6 feet 8 inches. Frank Whitmore also set a new State record in pole vaulting with a vault of 13 feet 3 inches. At State Competition the 880 and mile relay teams set new school records. Captains Butch Williams and Alan Shomo moved into Track's Top Ten after this season.

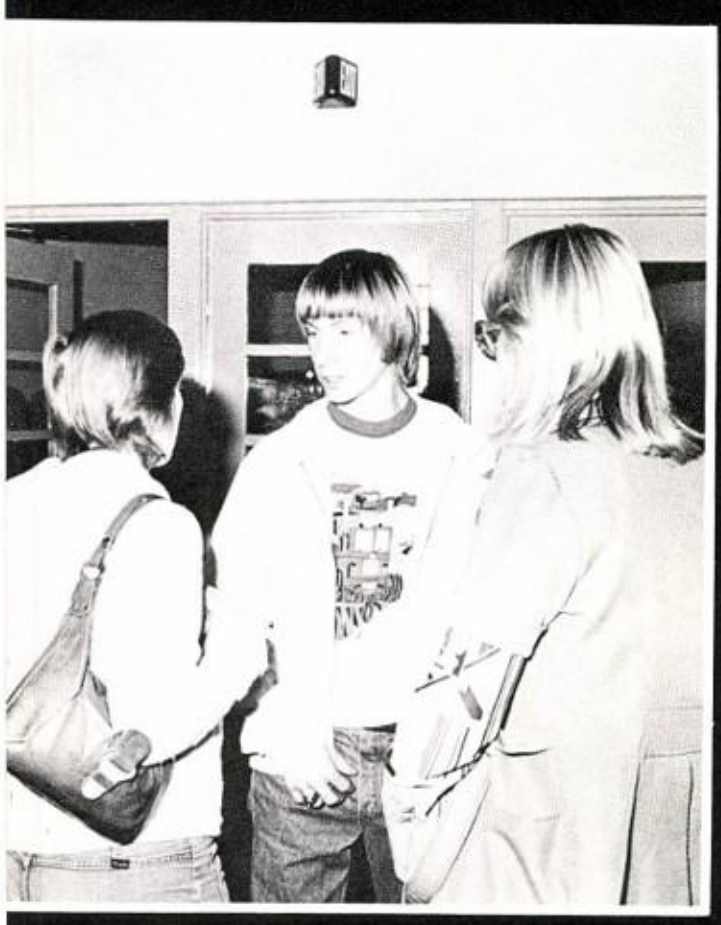
HI-FIDELITY



INDIVIDUALS

How Does It Feel To Be A Senior?

How does it feel to be a senior? "It's fun and it feels good." As we look back on our past four years here, we remember as Freshmen winning most of the spirit sticks at pep rallies. Getting our drivers' licenses and putting on that first Variety Show high-lighted our Sophomore year. Ordering our class rings, being invited to join the National Honor Society, and putting on the Variety Show kept us busy our Junior year.

"It feels rewarding." Seniors worked hard during their last year at Montevideo. They had candy sales, a Variety Show, and spent a great deal of time planning graduation. Many preparations had to be made such as ordering caps and gowns, studying for exams, and sending in college applications. This year was spent in learning, achieving, and preparing ourselves for the years to come.

"It's sad." We remember all of the friendships made and fun we've had during these years and yet we realize we will all be going our separate ways.

Seniors Invade Natural Chimneys

"Open the gate."

Muscle Beach?

Trying to get a little sun.

Seniors practice card skills.

Chow time.

Smile!

Overlooking what?

"Check those legs."

Juniors Are Anxious For Coming Year

"We've accomplished a lot." We had candy sales to raise money for the Jr.-Sr. Prom which took a lot of work and planning. Many of us took College Boards and others found interests at Vo-tech. Much time was spent planning for the years ahead.

"I can't wait to get my ring." We were all excited about getting our class rings and showing them to everyone. Some of us were invited to join the Honor Society and others became involved with other clubs and activities that went on during the year.

"I've almost reached the top." We've worked hard the past three years and we've finally earned our place at the top.

Sophomores Get Into Swing Of Things

"It's a hectic year." We kept ourselves busy during our second year at MHS by selling light bulbs to raise money for next year's prom, joining more clubs and becoming more involved in sports and other activities. We were excited about getting our drivers' licenses and started making plans for all the things we want to do next year.

"Well, I'm halfway there." We only have two years left to go and we are at the turning point in our high school years.

Freshmen Are Off To A New Start

"Being a Freshman is confusing." We spent most of our time adjusting to the hustle and bustle of high school life. There were new classes and teachers and more people to become familiar with. Some of us participated in sports and activities and others joined clubs which kept us busy during our first year at MHS.

"I feel like I'm the youngest in a family of four." It's been a learning and growing year but we're looking forward to the fun we will have in the next three years to come.

Rob,

Were do I begin? There's just so much to say but few words to say it! (dumb) you've been so nice to me and like you said in my yearbook we really ~~gott~~ close last year maybe something will happen this year (who knows!) (MLE) (Mr. Shifflett) (Mrs. Sipe) Please remember me! Biology (some of the people in there) Robert Kribel! (science project) I hope things go good for you and your running treats! you well! I hope that everything you wish for, you get and I hope that all! your dreams come true. I don't know what to say! We've been such good friends and hope we stay that way. Remember Campus Life my house & yours! Thanks for helping me with Jay, things didn't last long, so..... (can't have everything) Remember I beat you in tennis! (my heads big)! Well I've said enough, I reckon I'll go! Love always, & always

Donna

P.S.
Remember me always and I think you're real! real nice (cute too)

Rob,

I don't know what to say. Everybody else wrote so much. Well here goes, TO someone I have spent many fun, great, crazy and whatever else times with, and hope to spend more. Hope you do well in track. I know you will. Heck, if you probably think of something. Good Luck in whatever. Don't worry ~~about~~ ~~so~~ ~~much~~ ~~for~~ ~~not~~ even though I know you can run 10 miles every day what can go wrong. of. P.S. I forgot to put that your good ~~looking~~ ~~and~~ ~~smart~~ I hope to see much more of ~~you~~ in the future. I wrote pretty much for not knowing what to say. Thats all I can think of.

To a very good friend of mine who I have really enjoyed getting to know ~~GOOD~~ in the last year. I hope I get to know you alot better this year because all I know is what K.C. has told me and it probably isn't true anyway! Sorry, but I can't be a stat. this year--although I would really like to, but I'm sure Mr. Spen-, you, and Derek will find someone else. Remind me to tell reason later, okay? Hoodluck in your future and I really hope you do great in track you the years ahead; as I know you will because this year, which as a great friend. Very Truly Yours, ☺ a ★!!
